PRESS RELEASE REOPENING OF SCHOOLS

Management of Ghana Education Service (GES) wishes to inform students, teachers, parents and the general public that schools officially reopen on **Monday 18th January 2021** for the academic year.

Management of GES therefore directs that all schools should use Monday to tidy up their classrooms and compound. Academic work will therefore begin on Tuesday 19th January 2021.

In the light of that, Management wishes to inform all stakeholders that the annual event dubbed '**MY FIRST DAY AT SCHOOL**' observed to welcome children entering school for the first time, will be held across all Districts and Regional Education Directorate on **Tuesday 19th January 2021**.

Students, parents, teachers and the general public are assured that the schools have been made safe for effective teaching and learning and therefore should not panic.

Let us get back to school for safe learning.

Thank you.
