## **PRESS RELEASE POSTPONEMENT OF REOPENING DATE FOR SHS 3 STUDENTS**

Management announces for the information of students, staff and the general public that the reopening of form 3 students has been postponed to 5<sup>th</sup> May 2021.

This is to give the forms 3 students an uninterrupted instructional period till they write their final examination.

Ordinarily the form 3 students were to have reported to school today 6<sup>th</sup> April and be in school until 28<sup>th</sup> May 2021. They were then to have gone on Vacation from 28<sup>th</sup> May to 29<sup>th</sup> June 2021.

The current arrangement therefore means that when the final year students report on 5<sup>th</sup> May 2021, they will be in school until they write their WASSCE.

Management of GES therefore considers this, as a better option where the students will not break their instructional period and have their full 1,080 hours needed prior to the final examination.

Management sincerely apologizes for the late communication of this new development.
